A. VENKATESH NAIK;ASHOK NAMDEORAO MOHOL

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether despite spending thousands of crores of rupees on the schemes relating to the Development of Women and Child, no progress has been made in this regard, as has been reported in the 'Dainik Jagran' dated July 22, 2001;

(b) if so, the details of pace of development in comparison to expenditure during the last few years;

(c) whether the Government have ascertained the reasons for the failure of these schemes;

(d) if so, the details thereof; and

(e) the steps being taken by the Government in this regard?

Answer

MINISTER OF HUMAN RESOURCE DEVELOPMENT, MINISTER OF SCIENCE AND TECHNOLOGY AND MINISTER OF DEVELOPMENT (DR. MURLI MANOHAR JOSHI)

(a) Minister of State did not make any such statement as reported in 'Dainik Jagaran' dated 22nd July, 2001. Several schemes and programmes have been launched by the Government for the development of women and children. These have definitely contributed to the improvement of the status of women and children in the country, as is reflected in the increase in life expectancy, decrease in maternal and infant mortality, narrowing of gaps between male and female infant and child mortality, increase in the rate of female literacy, decrease in the drop out of both boys and girls in the schools, increasing work participation rate of women, increasing participation of women in grassroots level democracy etc.

(b) The details of physical and financial progress achieved under various schemes are provided in the annexure.

(c)&(d) The pace of development has been slow in some areas. The reasons for the slow pace of development include lack of adequate investment in social sector, wide socio- cultural, linguistic, ethnic and religious diversities which limit implementation of straight jacketed programmes, strong gender bias in Indian society, lack of awareness about the schemes & programmes run by the Government, lack of advocacy etc.

(e) Some of the steps and initiatives taken by the Government include strengthening of monitoring system, review of various laws discriminatory to women, review and restructuring of some of the programmes, awareness generation programmes, orientation and training of NGOs and Government functionaries etc.
